

SHRINERS HERE NEXT SATURDAY Meeting of Various Masonic Bodies Will Continue Through Next Week.

PREPARING FOR A BIG TIME

The annual ceremonial session of the Mystic Shrine will be held in Albuquerque Saturday. There will be no parade this year, as has formerly been the custom, this being abandoned in favor of the coming session promises to be one of the most successful ever held in the territory. There will be candidates from all over the territory, while visitors are expected from Colorado, Texas and Arizona.

On Monday will follow the annual convocation of the New Mexico Grand Lodge, followed by the meeting of the Grand Chapter and the Grand Commandery. These meetings will occupy all of next week. The annual gathering of the Eastern Star will follow the meeting of the Masonic bodies. The railroad has made a special rate of one and one-fifth fare from all points in New Mexico and this assures a very large attendance.

The officers of the New Mexico Grand Lodge are as follows:
George W. Ward, grand master.
James G. Fitch, deputy grand master.

A. N. Pratt, senior grand warden.
W. E. Dame, junior grand warden.
A. J. Maloy, grand treasurer.
A. A. Keen, grand secretary.

NEBRASKA FOOTBALL STAR WILL COACH ELEVEN

AMERICAN LUMBER COMPANY EMPLOYEES ORGANIZE TEAM THAT EXPECTS TO CLEAN UP EVERYTHING IN SIGHT.

The employees of the American Lumber company have organized a football team. Formal organization was effected yesterday by the election of H. W. Maffett captain and M. Hellenkoetter manager. Howard D. Cogwill, formerly a star on the University of Nebraska eleven, will coach the team and it is safe to say that it will be a strong one.

Cogwill played under Coach Booth, who has had charge of the Cornhusker eleven for the past few years, and he will follow the style of Booth in training the eleven.

The team will play all comers in the territory and some good sport is looked for before the season closes.

NEW MEXICANS RETURN FROM ODD FELLOWS SOVEREIGN LODGE

S. Vann, of S. Vann & Son, of this city, and Alfred Jeffs, of the First National bank of Raton, have returned to their respective homes after attending a meeting of the sovereign lodge of Odd Fellows, held at Philadelphia, at which they were delegates from New Mexico.

Mr. Vann reached home last night after an absence of about a month. The lodge meeting took place during the time of September 18-23, and since that time Mr. Vann visited Atlantic City and his old home, at Rockford, Ill.

The sovereign lodge was attended by about 50,000 delegates, representing more than a million and a half of people, and the meeting accomplished much business, but being of a sensational order, a resolution was offered before the lodge for the exemption of saion keepers but it was voted down.

Mr. Vann says that the east is prosperous but he saw no place during his absence that pleased him better than the Duke City.

EDWARD HOLMES SICKLES A WONDERFUL MUSICIAN

HUNDREDS ATTEND PIANO RECITAL UNDER AUSPICES OF ST. JOHN'S GUILD, AT ELKS' HALL LAST EVENING.

The piano recital at Elks' hall last night under the auspices of St. John's Guild of the Episcopal church, was highly successful and drew a large crowd. Edward Holmes Sickles, the blind musician of Reno, Nev., astonished the audience with his many beautiful selections on the piano. He is a wonderful musician.

Mr. Leonard Miller entertained the audience with some fine whistling solos, the best ever heard in this city. Other numbers on the program were rendered by local talent, and the concert proved both entertaining and highly successful, and the ladies of the guild deserve great credit for their efforts, which made the affair a success.

LET'S PAY MORE ATTENTION TO ANIMALS

Perhaps no place in the city is more popular for our associates in what is known as the dumb animal world as the spot near the corner of Railroad avenue and Second street, where the water fountain stands. Here all day long and every day tired and thirsty horses and dogs quench their thirst. Frequently two or three horses will be standing waiting their turn at the fountain. Not only horses from the country but many horses belonging to residents of the city slack their thirst at the ever flowing fountain. It has been suggested that the New Mexico Humane society or two other organizations for the benefit of the dumb friends of man. Those interested in this laudable enterprise should send their names to Prof. Stroup, the secretary of the society, for enrollment as members.

\$100 MORE MAY BE ADDED TO FAIR DEFICIT

SHORT STOP EDMONDS SAYS LAS VEGAS WILL ATTEMPT TO COLLECT EXPENSES FOR SUNDAY.

If what D. D. Edmonds says is true, Col. R. E. Twitchell, of Las Vegas, has something up his sleeve for the Twenty-fifth Fair association, and the association may find still another bill to add to the already large deficit. The amount, according to Mr. Edmonds, will be something more than \$100 and is for the expenses of the Las Vegas ball team.

The Sunday they remained in the city to play off the tie between them and the Clifton, Arizona, team.

Mr. Edmonds played short stop for the Blues and when the team disbanded he was asked to put his name to some kind of a statement which had reference to the treatment the Blues received on the Sunday mentioned, and he believes that these statements will be used as evidence in the bill, which will be presented to the fair association, is not paid and the matter goes into the courts. Several witnesses can testify that President Greer said on the corner of Second street and Railroad avenue that the expenses of each team taking part in the games played on the Sunday mentioned would be paid out of the gate receipts and that the Las Vegas and Clifton teams should receive 50 per cent of the net receipts, and upon this Mr. Edmonds says that Col. Twitchell thinks that he has good grounds for a case against the fair association. Why this bill has not been presented Mr. Edmonds said that he did not know.

The Citizen cannot believe that Col. Twitchell would sanction such a bill against the fair association, after knowing how badly the Blues conducted themselves on the diamond field that Sunday afternoon.

Mr. Edmonds has severed his connection with the Las Vegas base ball association and is now on his way to El Paso, accompanied by his mother. He says that he would like to return to Albuquerque in the spring and play ball. Mr. Edmonds was handed a box of cigars today by Leon Hertzog, the prize offered by Mr. Hertzog for the infielder having the most assists at the territorial fair base ball tournament.

A LEADING ATTRACTION

Considerable interest is attached to the forthcoming production of Stowe's grand scenic production of "Ten Nights in a Barroom," at Elks' opera house next Thursday, October 19. So wide is its fame that it is certain theatergoers generally will be interested in the engagement. Critics and public unite in saying that the play outshines many another in several striking characteristics. Mr. Alvin Wyckoff as "Joe Morgan," enjoyed by all and he is pronounced by all to be the best in his line. Little Hazel is the queen of all child actresses; she is bright and beautiful. Stowe's grand symphony orchestra, under the direction of Mr. Raymond Hadley, is superb, playing many classical selections. The musical concert is of the very best given by Stowe's Military band. To miss this, is to miss a grand treat. Seats now on sale at O. A. Matson & Co.'s.

ASK THAT TEMPORARY INJUNCTION BE DISSOLVED

COUNSEL FOR ARMIJO FILES ANSWER, AND ARGUMENTS BEGAN LATE THIS AFTERNOON—NO DECISION IN TAX PAYERS' SUIT.

At 3:30 o'clock this afternoon arguments began on the writ of temporary injunction granted by the court yesterday afternoon and directed against Sheriff Armijo, Treasurer Justo R. Armijo, Superintendent A. B. Stroup and the county commissioners, asking that all these defendants be restrained from taking any further steps towards securing possession of the county offices in dispute.

Attorney Neil B. Field opened the argument by filing an answer to the injunction and which asks that the temporary writ against the defendants be dissolved. It is expected that the hearing will be finished late this evening.

The statement made in The Citizen last evening to the effect that a temporary injunction had been granted against the board of county commissioners to prevent them borrowing money to carry on the court, was an error, the injunction against the acts of the county commissioners yesterday morning becoming confused with the application for the first injunction. There has been no decision in the tax payers' suit.

RAILROAD ANNUAL MEETING

STOCKHOLDERS AND DIRECTORS OF THE PECOS VALLEY & NORTHEASTERN ELECT OFFICERS AND DIRECTORS.

The stockholders of the Pecos Valley & Northeastern railroad held their meeting in Roswell Wednesday, at the car of Vice President Turner, which stood in the yards near Fourth street, says The Register.

All of the old directors were re-elected and the directors met immediately and re-elected all of the old officers, as follows: J. E. Hurley, of Topeka, president; Avery Turner, of Amarillo, vice president and general manager; Judge J. C. Paul, of Amarillo, treasurer; D. A. Sweet, of Amarillo, secretary; H. W. Gardner, of New York, assistant treasurer; D. L. Gallup, of New York, comptroller; E. P. Ripley, of Chicago, A. L. Conrad, of Amarillo, Samuel Atkinson, of Roswell, E. A. Cahoon, of Roswell, and John W. Poe, of Roswell, directors.

Mr. Sweet and Judge Paul were the only out of town directors present. Mrs. Turner and her little nephew, Harold TenEyck, of Albuquerque, were also in the Turner car and accompanied Mr. Turner on a trip south.

CONCERT MONEY FOR SUPPORT OF MISSIONARY.

Louisville, Ky., Oct. 12.—Under the management and general direction of the concert and general director of the Emma Betow class of the Trinity, at E. Sunday school in this city, a concert will be given this evening for the benefit of Dr. Emma Betow, medical missionary to Sieng Lu, China. It is expected that the proceeds of the concert will be sufficient to maintain Dr. Betow's missionary work in China for some time.

SECRETARY CALBREATH IS EXPECTED SOON

EXECUTIVE OFFICER OF THE MINING CONGRESS IS TO BE IN EL PASO.

J. F. Callbreath, secretary of the American Mining congress, will probably be in El Paso in the near future, to consult with the local committees regarding final preparations for the congress, says The Herald.

In a letter to the local committee, Mr. Callbreath says that the executive board at Denver suggested that he come to El Paso at once, but that he does not believe an immediate visit will be necessary.

Mr. Callbreath refers to the fact that in other cities it has been customary for the local communities to bear the expenses of the secretary while in the convention city.

He urges that the program of entertainment for the guests, with the hours fixed, be given to him in its final form without delay. The congress program is nearing completion, and he wishes to have all necessary information at hand without delay.

ANOTHER ASSAULT CASE TAKES UP COURT'S TIME

MOST OF TODAY SPENT HEARING THE CASE OF THE TERRITORY VS. H. J. FARMER, CHARGED WITH DEADLY ASSAULT.

The time of the district court is still being taken up in hearing assault cases, of which there has been few convictions at this term. Today the court heard the case of the territory vs. H. J. Farmer, a carpenter, charged with deadly assault upon Homer L. Stitzer, one day last June. It seems that Farmer was employed in building a house for Stitzer, who was not satisfied with the work. When Stitzer told Farmer about it a fight resulted. Farmer struck Stitzer with a rip saw, inflicting a slight injury. The grand jury returned an indictment against Farmer, charging him with deadly assault.

Attorneys Summers Burkhardt and Frank Moore are conducting the defense. The case was given to the jury late this afternoon.

Drayton Acquired.

E. L. T. Drayton, who was tried yesterday on a charge of picking the pockets of Pedro Contreras, was not found guilty by the jury, which returned a verdict late in the afternoon. This case was the only criminal business before the court yesterday. Attorney W. C. Hancock conducted the defense.

FOOTBALL RECORD MADE IN THE LAST FIVE YEARS

New York, Oct. 12.—Forty-five deaths and hundreds of serious injuries are the record of football in the last five years, according to the canvass made by The Herald. Almost every casualty was due directly to heavy mass plays, against which President Roosevelt and the country at large are protesting vigorously.

CHAMBERLAIN TO DRILL IN EL PASO

CHAMPION ROCK DRILLER IS TO REPRESENT THE SAN PEDRO DISTRICT.

Chamberlain and Make, the celebrated rock drillers, who captured a first prize in the contest for the International Miners' association trophy in 1903, will contest in El Paso during the mining congress, November 14 to 18.

The world's championship is claimed by Chamberlain, who has lately been in Sonora, Mexico. He has been in Denver recently. The two will represent the San Pedro camp, of Mexico.

If the team is successful, the trophy will be lifted by the San Pedro camp, which has already secured a good grip on the cup by landing two firsts. Chamberlain was a member of the winning team on both occasions.

The two men are just beginning their course of training, under the direction of P. M. Stewart. The week strenuous preparation for what they hope will be their last struggle for the trophy.

ANGORA GOAT BREEDERS ELECT NEW MEXICAN

Kansas City, Oct. 12.—The directors of the Angora Goat Breeders' association here today elected N. A. Gwyn, of Lawrence, Kansas, president, and D. C. Taylor of Lake Valley, New Mexico, vice president.

YOUNG RAILROAD MAN WAS IN SERIOUS TROUBLE

STORY OF MOTHER AND BRIDE, HOWEVER, WOULD SEEM TO CLEAR HIM OF WRONG DOING.

Sherman Locke, a young Phoenix, Arizona, railroad man, has been in a circulation about him since he left. Not only that, but the sheriff's office has tried to locate him, but the trouble is now settled and Locke is safe.

The warrant against young Locke was sworn out by the manager of the Alhambra hotel at Mesa. When Locke left he gave the hotel an order on the Wells-Fargo Express company for the salary due him to guarantee his board bill but when the order was presented it was stated there was nothing due him. It was shortly after this that the warrant was issued but it was never served.

The report got into circulation that Locke was wanted for raising a Wells-Fargo money order from \$50 to \$350. At the Wells-Fargo office a representative of the Phoenix Gazette was informed that nothing of the kind was in fact the Wells-Fargo order was good for only \$50. Later a call was made at the home of the young man's widowed mother where his wife is also stopping. They freely gave a full account of the whole affair.

NINETEEN THOUSAND ACRES SIGNED IN ONE DAY

Notary C. A. Thompson holds the record for the largest single signature for the Elephant Butte proposition, namely 19,069 3/4 acres in one day, says a writer from Berino, N. M. This included the Dona Ana county holdings under tax title. This land, if all goes well, represents near \$800,000 payment to the government. It will bring at least \$1,000,000 into the county treasury upon being sold to settlers.
